## DID YOU KNOW YOU CAN GIVE BACK TO YOUR CHILD'S SCHOOL THROUGH FRY'S FOOD STORES?

### Follow these simple directions to add Fry's Community Rewards:

#### 1. Create a digital account.

A digital account is needed to participate in Fry's Community Rewards. If you already have a digital account, simply link your Shopper's Card to your account so that all transactions apply toward the organization you choose.

#### 2. Link your Card to an organization.

Selecting the organization that you wish to support is as simple as updating the Fry's Community Rewards selection on your digital account.

1. Sign in to your digital account.

2. Search for your organization [here](#).

3. Enter the name or NPO number of the organization you wish to support.

4. Select the appropriate organization from the list and click "Save".

Your selected organization will also display in the Fry's Community Rewards section of your account. If you need to review or revisit your organization, you can always do so under your Account details.

#### 3. Your organization earns.

Any transactions moving forward using the Shopper's Card number associated with your digital account will be applied to the program, at no added cost to you. Fry's donates annually to participating organizations based on your percentage of spending as it relates to the total spending associated with all participating Fry's Community Rewards organizations.

If you have any questions, please contact our [Customer Service Center](#).

Help us earn money for the school by shopping at Fry's with your Shopper's card. Simply add us to your Community Rewards on your Fry's account by selecting West Wing (school code: BW789) as your organization.
